

MELANGE

Unity in Diversity

The Faculty of Computer Science & Applications organized a cultural event “Melange” on 22nd August 2015 under Pratibha Club. Melange means varied mixture thus this Fashion show competition was aimed to represent unity in diversity in our country. Many students of Computer Science & Applications participated in the event and came up with their own creative means in terms of costume by representing various cultures ranging from North to South, East to West. In the Talent round students amazed the audience with their spectacular singing, dancing and musical performances. The competition was judged by Dr. M K Sharma and Mr. Ashish Khare. The winner was Ms. Bhawana Rana, she rocked the floor with her phenomenal dance performance. The first runner up was Mr. Chetan Joshi and the second runner up was Ms. Priyanshi. Many other students were admired for their performance and were given consolation prizes. The Director Prof (Dr.) M K Pandey congratulated the winners and praised the active participation of all students. The event coordinator Ms. Jagjit Kaur expressed her heartfelt thanks and appreciated the team members i.e. Ms. Sneha Bhaurya, Ms. Poonam Mahatolia and Mr. Ravinder Khetwal for their coordination and support.

Ms. Bhavana Rana winner of Melange
