

# **Kumaun Inter School Competition**

## **Amrapali Group of Institutes, Haldwani**

On 7<sup>th</sup> November 2015, “**Kumaun Inter School Competition**” was organized by Amrapali Group of Institutes for students of 12<sup>th</sup> Standard. The objective of the competition was to provide a competitive platform to students to showcase their talent and also to aware them about the career opportunities in diverse professional courses. Huge participation was received from the students from Haldwani and nearby areas. Approximately 800 students from 30 schools such as Queens public School, St. Theresa, Gurukul International school, St. Paul’s Snr. Sec. School etc. participated in various competitions with great enthusiasm and fervor.

To assess the programming skills and knowledge “**Code –Decode**” competition was held. Amodh Agarwal from St. Theresa school stood winner, Prachi and Prateek from St. Marry’s school stood as First and second runner up.

In “**Poster Competition**” students displayed their creativity and came up with lovely hand drawn posters. Vishal from Gurukul International school stood winner and Kaviraj and Yashwant from Hargobind Suyal school and Maharishi Vidya mandir grasped the position of First and Second runner up.

For environment awareness “**Photo Mania**” competition was organized on a theme “Save Nature”. Aryan from St. Theresa school emerged as a winner by exhibiting beautiful photographs relevant to the theme. Dipti and Tulika from Queens school and Gurukul International school stood as First and Second runner up.

In this era of social networking sites, a **“Debate Competition”** was organized on the topic **“Impact of Social Networking Sites”**. Kritika from Queens Public school amazed the audience with her oratory skills and became the winner. Rohit and Himanshu from Lawrence school stood as First and Second runner up.

Many students participated with keenness in **“LAN Gaming Competition”**. Karan from Cynthia school took the lead in gaming and became the winner. Harshit and Deepak from D. A. V school took the position of First and Second runner up.

A **“Business Quiz”** was organized not only to assess the knowledge of students about commerce and economy but also to upgrade them with present information and facts. Param Gulati and Harpal Singh from St. Marry’s Snr. Sec. School (Bajpur) grasped the First position. Divya Bisht and Rushali Saxena from D.A. V school stood at Second position. Anjali and Harshit from Cynthia School stood at Third position.

In **“Champion Economist Competition”** Saif Ali Khan from St. Theresa School became the winner. Vikram Singh and Arjun Mehra from Gurukul international school and Maharishi Vidya Mandir were First and Second runner up.

Siddharth Saxena from Gurukul International school became the accounting wizard by winning the competition **“Kaun Banega Accounting Wizard”**. Meenakshi Verma and Jayraj Singh from St. Theresa School and Maharishi Vidya Mandir were the First and Second runner up.

In **“Kaun Banega Finance Guru”** Ahsaan Kochar from St. Theresa school proved his skills and knowledge and became the winner. Sachin Kabadwal and Gaurav Chuphal from Gurukul International school and St. Paul’s school stood as First and Second runner up.

Having organized various competitions based on computer applications and commerce, science could not be lagged behind. Competition in science is a necessity; it promotes a drive within the students to excel and become the coming generation of doctors, scientists, engineer etc. For this purpose a **“Science Quiz”** was organized in which Chetan Singh and Gaurav Garg from St. Marry school stood at first position. Yogesh and Ikra Saifi from Spring Dales school stood at second position. Deepika and Himani from Evergreen school stood at third position.

Students participated with eagerness in **“Science Collage”**. They displayed their creativity and made wonderful collages relevant to the theme. Ashok Rawat from Evergreen school became the winner. Krishna Jalal and Samneen Siddiqui from Gurukul International school and Queens public school were First and Second runner up

To further explore the creativity of students a **“Science Model Contest”** was held. Students exhibited their ideas by creating innovative models. Students from Evergreen School stood at First Position. Students from Sarawati Vidya Mandir stood at Second and Third position.

Aryan Chaudhary from St. Theresa School astounded the audience through his knowledge and presentation and grasped the First position in **“Just a Minute Science Talk”**. Varun Arya and Priyanka from Gurukul International School stood at Second and Third position.

A blend of Fun and knowledge was witnessed by students in **“Science Treasure Hunt”** competition. Himanshu Bhatt and Neeraj Karki grabbed the First position. Piyush Harbola and Devendra Singh from Evergreen School stood at Second position.

In **“Science Junkyard”** students from Hargobind Suyal School took the First position, Students from Saraswati Vidya Madir( Ramnagar) stood at Second and Third position.

**“Robo Games”** was yet another competition in which many students participated with great zeal. Shiti Bhatt and Shivam Joshi from St. Theresa School won the competition. Pramod Singh Rana and Deepa Bametha stood as First runner up.

The Registrar, AGI, Dr. P K Shah, appreciated the performance of winners and all the participants. He expressed thanks to all participating schools, media, organizing committee, all faculty members and students who were involved for successful completion of this event. The Vice Chariman Shri R. C. Monga, Secretary Shri Narendera Dhingra, CEO Dr. Sanjay Dhingra , COO Prof. (Dr) S K Singh , Directors of all the institutes graced the occasion with their presence. The management of Amrapali Group of Institutes assured the conduction of such events in future to encourage and strengthen students' skills through quality competition and intent to provide a meaningful contribution to the development of future professionals.
