

Workshop on “CHOOSING A CAREER”

Date: 12-03-2018

Choosing a career is one of the most important decision of life. Depending on the individual, the choice of career may be decided by following in the footsteps of a parent or taking over a family business. For others, it is the pursuit of **A PASSION OR LIFELONG DREAM**. Whether the path is clear or uncertain, careful planning may lead to the job of a lifetime.

To make it easier for students to choose their desirable company& select various career paths, FCBM department hosted a workshop for their final year students on Monday, 12th of March, 2018. The session was addressed by keynote speakers, Dr DEVASHISH FULORIA, an alumnus of IIT Kanpur and PhD from Imperial college of London with work experience from content writing on Entrepreneurship and Mr ANKUR MAHAJAN, an alumnus of IIM Kozhikodi and centre director of T.I.M.E, Haldwani.

The workshop was divided into 3 sessions:

- 1) Counselling and available opportunities in their chosen specialised fields- where they shared about their experiences with the students.
- 2) Advertising students with practical tips on how to crack competitive exams and clearing their mind perplexities.
- 3) The third was wrap up where the counsellor and students had deep neck conversation regarding career issues followed by an extempore.

The workshop helped students acquire the knowledge, skills, and experience necessary to identify options, explore alternatives and succeed in society. Overall the workshop was very useful to judge one's skills and move in the direction where one can achieve as well as enjoy their career.
